Dartmoot, It seemed as it the governor thought that no work was too hard for him because he shad a feather dead of the breat sook as he was a good of disas and the breat sook as he was a good of disas as he was a good to be expected to the feather. In oudd not be expected to make, a gubble deads his could not be expected to make, a gubble dead with a seriou parts of the world, but when he was a posted to turn against his could not be read to the serious the serious the serious factors, he was then an I-thurna (abser). He she spy and the informer, he was then an I-thurna (abser). He she spice of the exercity with which he was treated in prison.

Mr. Jean Dearir moved—"That, having heard the statements of Mearra Davit and the calculation of the statements of Mearra Davit is not Chambers, from which it spears that, smilks other of villad nations, which is good to the meeting considers in the constituent of Mearra Davit is not Chambers, from which it spears that, smilks other of villad nations, which is greatly to the meeting considers in the constituent of Mearra Davit is not Chambers, from which is speary love of freedom and justice, no matter was may be his mationality, to use whatever, political power he may posses to some the more beauting the more political of the constant the speady release of any such who are yet in prison."

Ph. O'Keele seconded the motion, which was constant of the constant your work who are prisoned—Liverpool, Daily Pool.

MR. PARNELL, M.P., AND HIS CONSTITUTION TO TULENTS.

The following resolution was maximonally adopted by the Chargy assembled at Kelfs, county Meath. April 26th:—Resolved—"That, having showing aims 1874 the conduct of the Home Rele Party in Parliament, we attained their fallows to jube absence and the spathy, and the Wing and Tory productivities, of a large number of our representatives; and that we desire to tword the sentiments of critics confidence and admiration with which we said the spandid services readered to Ireland by our interpid and ever-regional dead to Ireland by our interpid and ever-regional and stainly interpresentative—Charles Stears Particular.

The Rev. Price O'Leary, C.C., Rathcormac, Co. Cork, has written the following Gastle letter to Meers. M. H. Gill and Son, 50 Upper Sacirillastreat, publishers of the works prepared by the streat, publishers of the works prepared by the fi-Society for the Preservation of the Irlah Language." The letter is valuable not only for its corrections and style, but for the signs of progress which it reports for the Gaelle movement in the schools of that locality:—
